Registrar of Voters to Demonstrate Paper Audit Trail Obtain Voter Feedback

SANTA ANA, CA – December 6, 2005 - Acting Registrar of Voters, Neal Kelley will be present at a poll site on December 6, 2005 to demonstrate the Hart Accessible Voter Verified Paper Audit Trail that will be used in the June 2006 Primary Election.

"We are pleased to be bringing Hart's VVPAT to the voters for the first demonstrations in Orange County," said Neal Kelley, Acting Registrar of Voters. "We want to hear from voters and will have a brief questionnaire available that will be used to obtain voter feedback on the required system," he continued.

The Accessible Voter Verified Paper Audit Trail (VVPAT) provides a paper copy for each vote cast on the eSlate. Law requires the VVPAT and all counties using electronic voting systems must implement the VVPAT for all elections held after January 1, 2006.

There will be five total demonstrations at different polling places. The eSlates with the VVPAT component are for demonstration only. They will not be available for live voting on December 6th.
